thing because the window was just so small.

"I was always in a rush," O. "I couldn't make our
to stop and talk once. They weren't like us. They weren't like us. We've lived here for years."

"You're very quiet. You're very quiet."

"I was always in a rush," O. "My family was always in a rush."

"I was always in a rush," O. "My family was always in a rush.

"I was always in a rush," O. "My family was always in a rush."
